

COMING AUGUST 2010, THE LONG-AWAITED BOOK

ISWFACE APPROVED

Aphrodite's Trade

The Hidden History of Prostitution Unveiled

In this sympathetic and comprehensive study of prostitution, author Lochlainn Seabrook examines the origins and evolution of the sex work industry through the lenses of archaeology, anthropology, mythology, primatology, and sociobiology.

As his findings show, prostitution developed hundreds of thousands of years ago as a survival mechanism among our prehistoric ancestors, hominids who were both matricentric and gynocentric. As such, modern human sexual relationships are both innately female-oriented and prostitutionary in nature. In other words, trading sex for money is part of our DNA.

Seabrook also discusses the vital role of prostitution in religion, including Judaism and Christianity, while giving both practical and spiritual reasons for decriminalizing what he respectfully calls "Aphrodite's Trade." This book is a must-have for anyone interested in the facts about the sex care provider business.

Mass market paperback, 250 pages. ISBN: 9780982770047. Includes a comprehensive bibliography and a detailed index. Foreword is by Xaviera Hollander, author of the international bestseller *The Happy Hooker*.

"Highly recommended!" - Norma Jean Almodovar, author of *Cop to Call Girl* and founder of ISWFACE

Lochlainn Seabrook, the sixth great-grandson of the Earl of Oxford, is the author of over thirty popular adult and children's books, including *Britannia Rules: Goddess-Worship in Ancient Anglo-Celtic Society*; *The Goddess Dictionary of Words and Phrases*; *Christmas Before Christianity*; *Abraham Lincoln: The Southern View*; and *A Rebel Born: A Defense of Nathan Bedford Forrest - Confederate General, American Legend*. Often compared to English writer and poet Robert Graves (1895-1985), Seabrook is a seventh-generation Kentuckian with a twenty-five year background in theology (female-based religion), etymology, anthropology, American Civil War studies, and comparative religion and mythology. He lives with his family in beautiful historic Middle Tennessee.

Aphrodite's Trade will be available through the publisher Sea Raven Press, and also on Amazon, Alibris, and through Ingram and Baker and Taylor
