The more you know, the more you'll support decriminalization

**LIKE MANY WOMEN
ARRESTED FOR
PROSTITUTION, YVONNE
DOTSON WAS HANDCUFFED,
FINGERPRINTED
AND INNOCENT.**

Yvonne left a restaurant near Union Station one night and ended up handcuffed to a police station bench. The night of terror and humiliation left her unable to function for a year. And all it took was for police to "suspect" her of prostitution. Think about that the next time you're alone on the street after dark. Because if it could happen to a registered nurse with a Masters degree, it could happen to you.
